In the event the Association shall be required to notify a Mortgagee as herein provided, the Association shall assess the Owner who is delinquent the sum of \$25.00 as a reasonable charge for such notification and such charge shall be a cost of collection secured by the Assessment lien described in Section 9.02, above. The charge for such notification shall be subject to change by the Board.

SECTION 9.07. Term of Assessment. Unless sooner satisfied and released or the enforcement thereof initiated as provided in this Article, the lien for any Assessment levied under this Master Declaration or any applicable Supplemental Declaration shall expire and be of no further force or effect after a period of five (5) years from the later of (i) the date of said Assessment, or (ii) the date the last installment thereof is due and payable. The ACC shall have the right to consider and grant a variance as herein provided either with or without notice to other Owners or a hearing of Owners thereon.

SECTION 11.07. Application. To request ACC approval for the construction, alteration, modification, removal or demolition of any improvements within the Property, the Owner shall submit a written application in a form required by the ACC which must be signed by the Owner and contain all information requested and be accompanied by all other material to be submitted as hereafter provided.

All applications must contain, or have submitted therewith, the following material (collectively called "plans and specifications") prepared in accordance with acceptable architectural standards and submitted with the application form, if any, approved by the ACC:

(a) Site Plan. A site plan showing the location of the Building(s) and all other structures and improvements including fences and walls on the Lot, Lot drainage and all set backs, curb cuts, driveways, parking areas and other pertinent information relating to the improvements.

(b) Building Plan. A building plan which shall consist of preliminary or final blueprints, elevation drawings of the north, south, east and west sides, and detailed exterior specifications which shall indicate, by sample if required by the ACC, all exterior colors, materials and finishes, including roof, to be used.

(c) Landscape Plan. A landscape plan for portions of the Lot to be landscaped which shall show the location, type and size of trees, plants, ground cover, shrubs, berming and mounding, grading, drainage, sprinkler system, fences, freestanding exterior lights, driveways, parking areas and walkways.

The ACC may, in its discretion, require the Owner to furnish additional specifications, drawings, material samples or such other information as the ACC, in its sole discretion reasonably exercised, shall deem necessary or convenient for the purpose of assisting the ACC in reviewing and processing the application.

The ACC shall have the right to require an Owner submitting an application for approval of plans and specifications to pay a fee at the time the application is submitted, the amount of such fee to be based upon the reasonable and actual expenses of the ACC in reviewing and processing the application. The ACC shall not be obligated to commence the review and processing of an application until such fee, if required, is paid.

SECTION 11.08. Decision. In reviewing the application and the materials submitted therewith and in reaching a decision thereon, the ACC shall use its best efforts and judgment to assure that all improvements shall produce and contribute to an orderly and aesthetically complementary design and appearance and be of the quality required to maintain Columbia Village as a quality residential development.

Unless extended by mutual consent of the Owner and the ACC, the ACC shall render its decision with respect to an application within forty-five (45) days after the receipt of a properly submitted application. The decision of the ACC can be in the form of an approval, a conditional approval or denial. The decision of the ACC shall be in writing, signed by a member of the ACC, dated, and a copy thereof mailed to the Owner at the address shown on the application.

A conditional approval shall set forth with particularity the conditions upon which the application is approved and the Owner shall be required to affix a copy of said conditions to the working drawings or blueprints which are to be kept on the job site during the entire course of the work to which said plans relate.

A denial of an application shall state with particularity the reasons for such denial.

SECTION 11.09. Inspection and Complaints. The ACC is empowered to inspect all work in progress on any Lot at any time. Such inspection shall be for the purpose of determining whether the Owner is proceeding in accordance with the approved application or is deviating therefrom or is violating this Master Declaration or the ACC Rules/ACC Standards or the approved plans and specifications.

The ACC is empowered to receive from other Owners (“Complainant”) complaints in writing involving deviations from approved applications or violations of this Master Declaration or any applicable ACC Rules/ACC Standards. In the event the ACC receives such a complaint from a Complainant, it shall first determine the validity of such complaint by inspection or otherwise.

Should the ACC determine that there has been a deviation or a violation, it shall promptly issue a notice in writing thereof to the Owner and to the Complainant, which notice shall specify the particulars of the deviation or violation and shall demand that the Owner conform to either or both of the following directives:

- (a) The Owner shall immediately cease the activity which constitutes a deviation or violation.
- (b) The Owner shall adhere to the corrective measures set forth in the written notice.

Should the ACC determine there has been no deviation or violation, it shall promptly issue a notice of such determination to the Owner and the Complainant.

SECTION 11.10. Hearing. An Owner submitting an application under Section 11.07, above, or served with a written notice of deviation or violation, or a Complainant shall have the right to request and be heard at a hearing held by the ACC for the purpose of presenting facts and information to the ACC. Such hearing must be requested by such party within ten (10) days from the date the written notice of the decision of the ACC is mailed to the Owner (and Complainant) as evidenced by the records of the ACC. The hearing shall be held within ten (10) days following receipt by the ACC of the request for a hearing, unless the ACC shall extend said period of time because of the unavailability of ACC members. A hearing may be continued by the ACC for the purpose of further investigation or to receive additional evidence. Upon completion of the hearing, the ACC shall issue a written opinion to the involved parties within ten (10) business days thereafter which opinion shall set forth the findings of the ACC with respect to the matters at issue and shall affirm, modify or rescind its previous decision as contained in the original written notice. If the ACC incurs any costs or expenses in connection with the investigation, processing or hearing on a matter involving a deviation or violation, including the costs of retaining a consultant(s) to advise the ACC and legal fees, such costs shall be paid by the Complainant unless an Owner is found to be in violation, in which event such Owner shall pay all such costs. The payment of such costs shall be enforceable as provided in section 11.12, below.

SECTION 11.11. Appeal. Either an Owner or a Complainant shall have the right to appeal to the Board a decision of the ACC on an application with respect to the conditions imposed thereon or a denial thereof, or a decision of the ACC adverse to the Owner or the Complainant reached following a hearing held pursuant to Section 11.10, above, provided, however, that neither an Owner nor a Complainant shall be entitled to such an appeal with respect to deviations or violations unless said Owner or Complainant has participated in the ACC hearing.

A notice of appeal shall be in writing and shall be delivered by mail to the Secretary of the Board within ten (10) days from the date of the decision by the ACC. Said notice of appeal shall be dated and shall contain the name of the Owner and the Complainant, if any, and a copy of the written decision or determination of the ACC. The failure of an Owner or Complainant to appeal a decision of the ACC in the manner and within the time herein provided shall terminate all rights of said Owner or Complainant to appeal said decision and it shall be binding and enforceable.

The Board shall fix a date for the hearing of such an appeal which date shall be no later than ten (10) days from the date of receipt of a notice of appeal unless extended by the Board because of the unavailability of Board members. The Owner and Complainant, if any, shall be advised of the time and place of the hearing by a mailed written notice. Written notice of time and place for hearing shall also be served by mail upon each member of the ACC.

The Board may require the Owner or Complainant to provide additional information to facilitate the Board's decision and the failure of such party to comply promptly with such a request shall entitle the Board to deny the appeal, in which event the decision by the ACC shall be considered final and not subject to further appeal.

At the hearing the Owner, Complainant, if any, and the ACC, together with their representatives and other witnesses, shall present their position to the Board. The order of presentation and the evidence to be admitted shall be solely within the discretion of the Board provided, however, that the Owner, the Complainant, if any, and the ACC shall have the opportunity to question and cross-examine witnesses presented by the other. The Owner, the Complainant, if any, and the ACC will have the opportunity to present final argument consistent with rules adopted by the Board for such hearing process. Any party may be represented by an attorney at any hearing by the ACC or the Board.

Upon receiving all of the evidence, oral and documentary, and following the conclusion of the hearing, the Board shall retire to deliberate and shall reconvene at a time and place determined by the Board, at which time the Board shall cast its official ballot and the decision shall be duly recorded in the minutes of the meeting. The Owner, the Complainant, if any, and the ACC members shall be given written notice of the decision which shall be deemed given when deposited in the United States mail, postage prepaid and properly addressed.

If the Board incurs any costs or expenses in connection with the investigation, processing or hearing on an appeal, including the costs of retaining a consultant(s) to advise the Board and legal fees, such costs shall be paid by the party(s) filing the appeal unless the decision by the Board constitutes a substantial reversal of the decision of the ACC, in which event such costs shall be paid by the Association. If the party filing the appeal is obligated to pay such costs, payment of the same shall be enforceable as provided in Section 11.12, below.

A decision of the Board of an appeal shall be final and shall not be subject to reconsideration or further appeal.

SECTION 11.12. Enforcement. The ACC, upon approval by the Board, shall be authorized on behalf and in the name of the Association to commence such legal or equitable proceedings as are determined by it to be necessary or proper to correct or enjoin any activity or condition existing within the Property, the continuation of which violates the provisions of this Master Declaration, the ACC Rules/ACC Standards or the approved plans and specifications.

The ACC shall not commence such legal or equitable proceedings until a written notice of the deviation or violation has been appropriately prepared and given to the Owner but thereafter the ACC shall have the sole discretion to commence such proceedings.

The authority of the ACC as herein provided shall include the power to retain legal counsel and expert witnesses, pay filing fees, deposition costs, witness fees and all other ordinary and necessary expenses incurred in commencing and carrying out said legal or equitable proceedings, all of which costs shall be paid by the Association.

In the event the ACC and/or Association shall prevail in any such legal or equitable proceedings, all costs and expenses incurred in connection therewith including, but not Limited to, attorneys' fees shall be reimbursed to the Association by the Owner against whom said proceedings are filed and upon the

failure of said Owner to reimburse the Association within five (5) days after written demand therefor is mailed to the Owner, the Association shall have the right to levy a Limited Assessment against the Owner and the Lot owned by the Owner which Assessment shall be equal to said costs and expenses incurred plus any additional costs and expenses incurred in levying the Assessment. Said Limited Assessment shall be due and payable at such time or in such installments as may be determined by the Board, in its sole discretion. The failure of the Owner to pay said assessments, or any installment thereof when due, shall be enforceable in the manner provided in Article IX, above.

SECTION 11.13. Additional Damages. In addition to the costs and expenses to be reimbursed by the Owner or the Complainant, all other costs, expenses and damages determined by the Board to be proximately caused by the deviation or violation or the costs and expenses incurred by the Association to correct the same shall be assessed as a Limited Assessment against the Owner and the Lot owned by said Owner, or the Complainant and the Lot owned by the Complainant, as the case may be, which Limited Assessment shall be due and payable at such time or in such installments as determined by the Board, in its sole discretion. The right of the Board to enforce said Limited Assessment shall be the same as provided in Article IX, above.

SECTION 11.14. Non-Exclusive Remedy. The right of the Association to levy a Limited Assessment as described in Sections 11.12 and 11.13, above, shall not be deemed to be an exclusive remedy of the Association and it may, in its sole discretion, without waiver of any other legal or equitable remedy, pursue enforcement of the lien of said Limited Assessment(s), proceed to collect any amount due directly from the Owner and/or pursue any other remedies available at law or in equity.

SECTION 11.15. Private Rights. The Association shall not have the right to mediate or litigate private disputes between Owners where there is a legal or equitable remedy available to resolve said dispute when, in the sole discretion of the Board, the interests of the Association or a substantial number of the Owners would not be benefited thereby.

Additional property may be annexed to Columbia Village and brought within the provisions of this Master Declaration by the Grantor, at any time, without the approval of any Owner or the Association. As such annexed property is developed, the Grantor shall record an amendment to this Master Declaration with respect thereto which shall annex such property to Columbia Village and which may supplement this Master Declaration with additional or different covenants and restrictions applicable to the annexed property, as the Grantor may deem appropriate, and may delete or modify as to such annexed property such covenants or restrictions as are contained herein which the Grantor deems not appropriate for the annexed property, so long as the quality of development and the Project Objectives are not materially adversely affected.
